To perform at the festival, artists include musicians, actors, poets and dancers are advised to apply for the festival before the 31st of July, 2021.

Tumaini Festival is the world's first and only international festival held inside a refugee camp. The Festival is a joyful celebration of the arts and culture that draws together people from across every divide to enjoy live performances by both artists from the camp and across the globe. The Festival features an eclectic program of arts from traditional dances, live music, theatre, poetry, fashion shows, art exhibitions, film screenings and a children's playground.

By popular demand, the 2021 edition will run for a period of 4 days instead of the usual 3 days. In an effort to provide a platform for various art forms, Tumaini Festival has increased the number of stages to six stages namely: the Main Stage, the Youth Stage, Theatre Corner, Poetry Corner, Art Exhibition Space and the Cultural Ground.
